

Return Policy

Retail Customers and ROMP Club Members

Ready NetworkSM and Prep StoreSM are sure you will be happy with your order. However, if for any reason you wish to return your product, we gladly offer a 30-day, money-back satisfaction guarantee to all Retail Customers and ROMP Club Members. If a Retail Customer or ROMP Club Member is dissatisfied with any product for any reason, you may return the item in its original packaging, along with the original invoice, to Ready NetworkSM or Prep StoreSM within 30 days of the purchase for a full refund of the purchase price minus shipping. The Customer is responsible for the cost of return freight. Non-accepted delivery charges will be debited to the Customer's account for refusing product.

If the product was purchased directly from an Independent Ready Partner, please contact them for a refund. You will need to return the product and original invoice to the Ready Partner, who will refund the product purchase price. The Ready Partner will then return the product to Ready NetworkSM or Prep StoreSM for a replacement product.

If the product was purchased from a Ready Partner website, please contact the Ready Network Support Department via telephone or via e-mail at support@readynetwork.com.

In order to facilitate the return process, the Retail Customer or ROMP Club Member is required to contact Ready NetworkSM or Prep StoreSM to obtain a Return Merchandise Authorization (RMA) Number. This number must be written on the outside of the shipping box. If a package is returned without an RMA Number, the refund may be delayed or refused.

For additional information or assistance in processing a return, please contact the Ready Partner from whom the product was originally purchased, or contact the Ready Network Support Department at support@readynetwork.com or the Prep Store Support Department at support@prepstore.com.

Ready Partners

A Ready Partner who terminates his or her business relationship with the company has the right to return for repurchase on commercially reasonable terms currently marketable inventory including company produced promotional materials, sales aids, and kits in the Ready Partner's possession and purchased for resale prior to the date of termination. For purposes hereof, "reasonable commercial terms" shall mean the repurchase of marketable inventory within twelve (12) months from the Ready Partner's date of purchase at not less than 90% of the Ready Partner's original net cost less appropriate set-offs and legal claims, if any. Original shipping costs are not refundable and customer is responsible for the cost of return freight. Any commissions, overrides, and/or bonuses paid to customer will be deducted from the refund. In addition, for purposes of this section, products shall not be considered "currently marketable" if returned for repurchase after the product's commercially reasonable, usable, or shelf-life period has passed (shelf life will be deemed to have passed if the product package has been opened); nor shall products be considered "currently marketable" if the company clearly discloses to the Ready Partner prior to purchase that the products are seasonal, discontinued, or special promotional products and are not subject to the repurchase obligation. The company will not issue a refund for, nor replace, any product that has been used. No refunds will be issued unless a Ready Partner is in strict compliance with the published refund policy that is part of the Ready Network Policies and Procedures Manual. Non-accepted delivery charges will be debited to the Ready Partner's account for refusing product.

Return Procedure

If the product was purchased directly from a Ready Network Ready Partner, please contact him or her directly for a refund. You will need to return the product and original invoice to the Ready Partner, who will refund the product purchase price. If the product was purchased from a Ready Partner website, you must contact Ready NetworkSM by contacting Customer Service via telephone or via e-mail at support@readynetwork.com to obtain a Return Merchandise Authorization (RMA) Number. An RMA Number is valid for ten (10) business days.

The RMA Number must be written on the outside of the return shipping box and a completed Return Authorization form must be included in the return package. A refund will be processed within 10 business days following the receipt of an authorized return. All refunds will be in U.S. Dollars. If a package is returned without an RMA, the refund may be refused or delayed.

Returns will not be authorized due to a Ready Auto Delivery (RAD) order not being cancelled in time. A Ready Auto Delivery (RAD) cancellation form must be submitted at least five (5) business days prior to the next scheduled Ready Auto Delivery (RAD) Order process date. For additional information or assistance in processing a return, please contact the Ready Partner from whom the product was originally purchased, or the Ready Network Support Department via telephone or via e-mail at support@readynetwork.com.
